

Dear

Please accept our sincere thanks for taking part in our 2010-11 EMS for Children (EMSC) survey about *pediatric*

With your help and that from other EMS agencies from across the state we were able to achieve a **response rate of:**

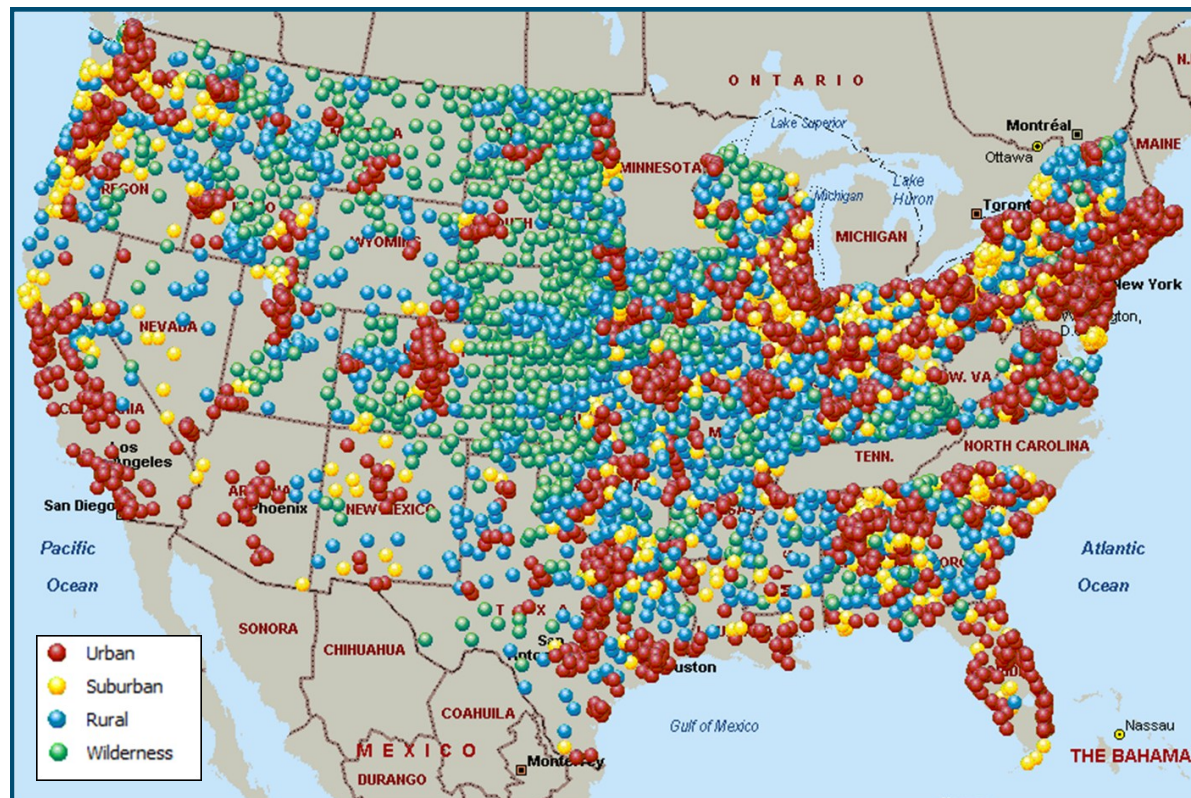

We are sharing a brief summary of the **statewide** and **national results** with you since you provided the data!

If you would like more information please do not hesitate to contact me.

Once again, thank you for your time and your assistance.

Sincerely,

EMS agencies in \_\_\_\_\_ joined with responses from over 6000\* EMS agencies from across the nation and the US Territories.

*EMS for Children  
making a difference  
for over 25 years!*

\* EMS level data was not available for every state.

prepared by:
